

Bioengineering and the EPSRC

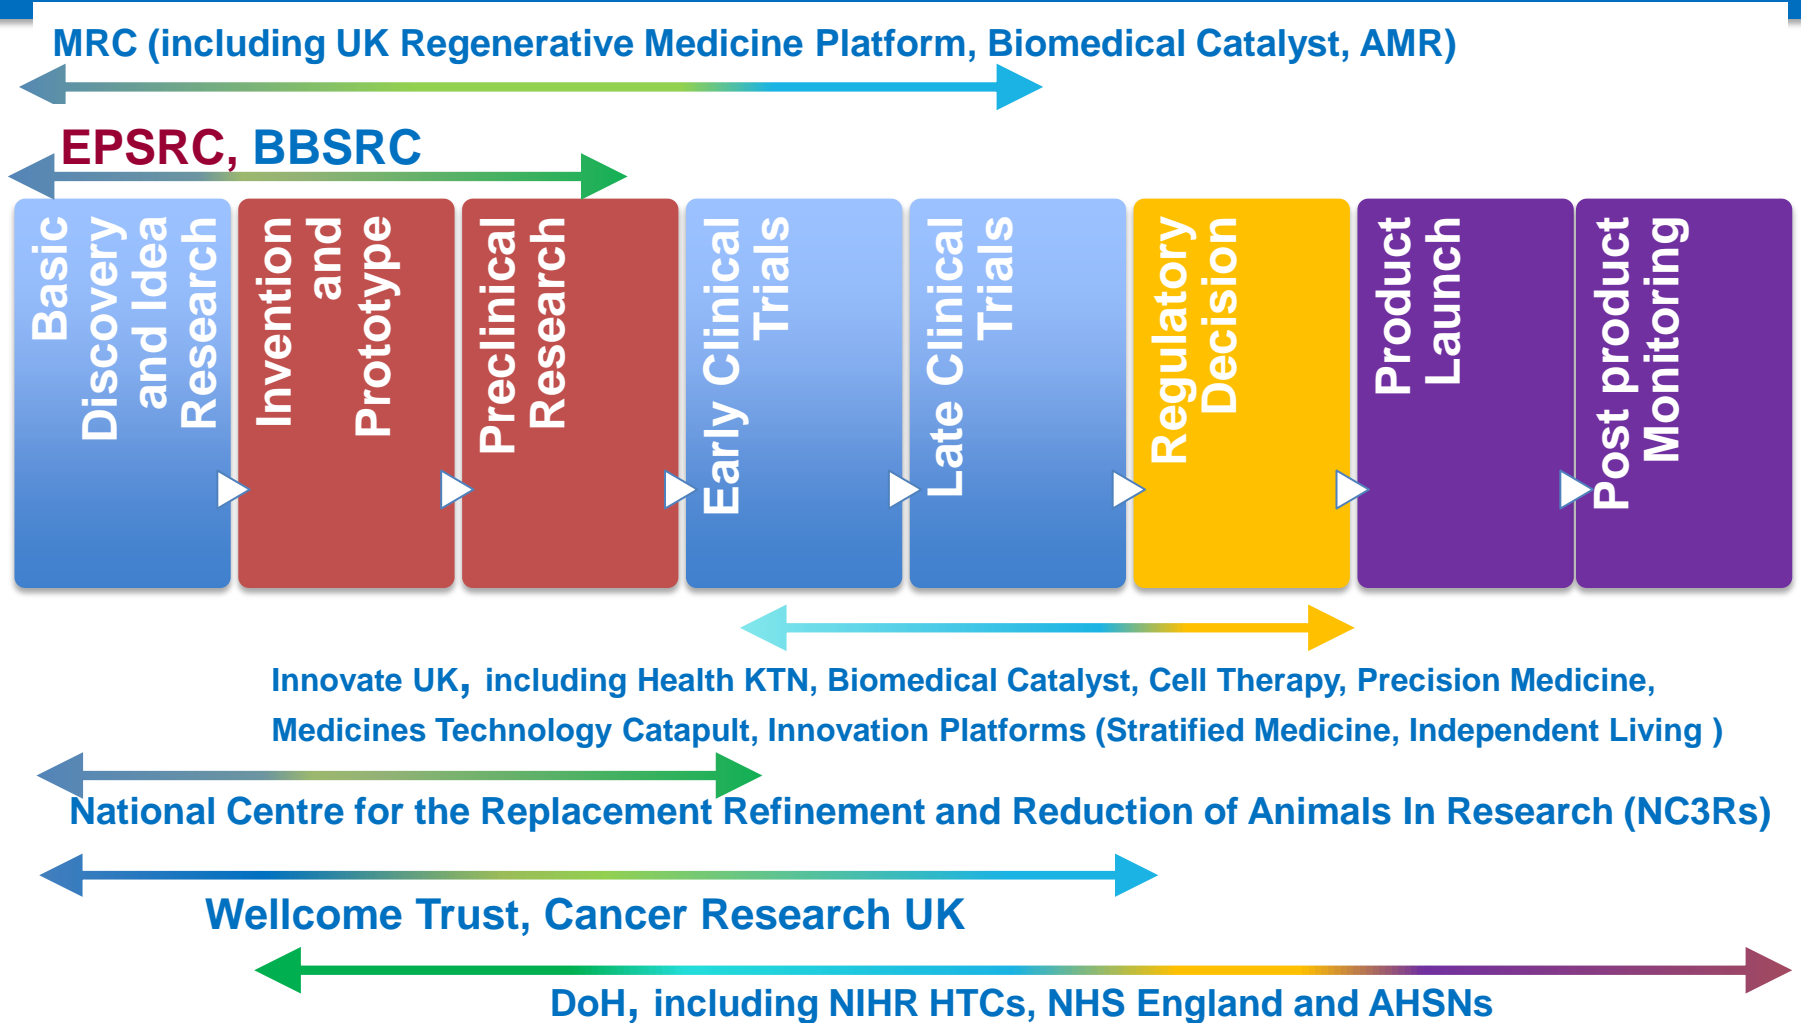

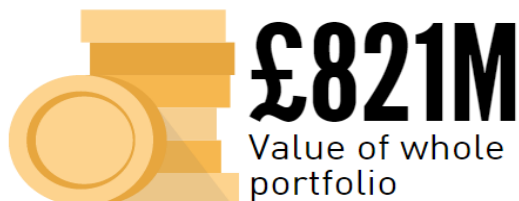

REF 2014 impact case studies – distribution by sector and Unit of Assessment

EPSRC in the healthcare landscape

EPSRC Health portfolio

wellcometrust

**Cofunding with other
partners leverages over**

£100M additional
funding

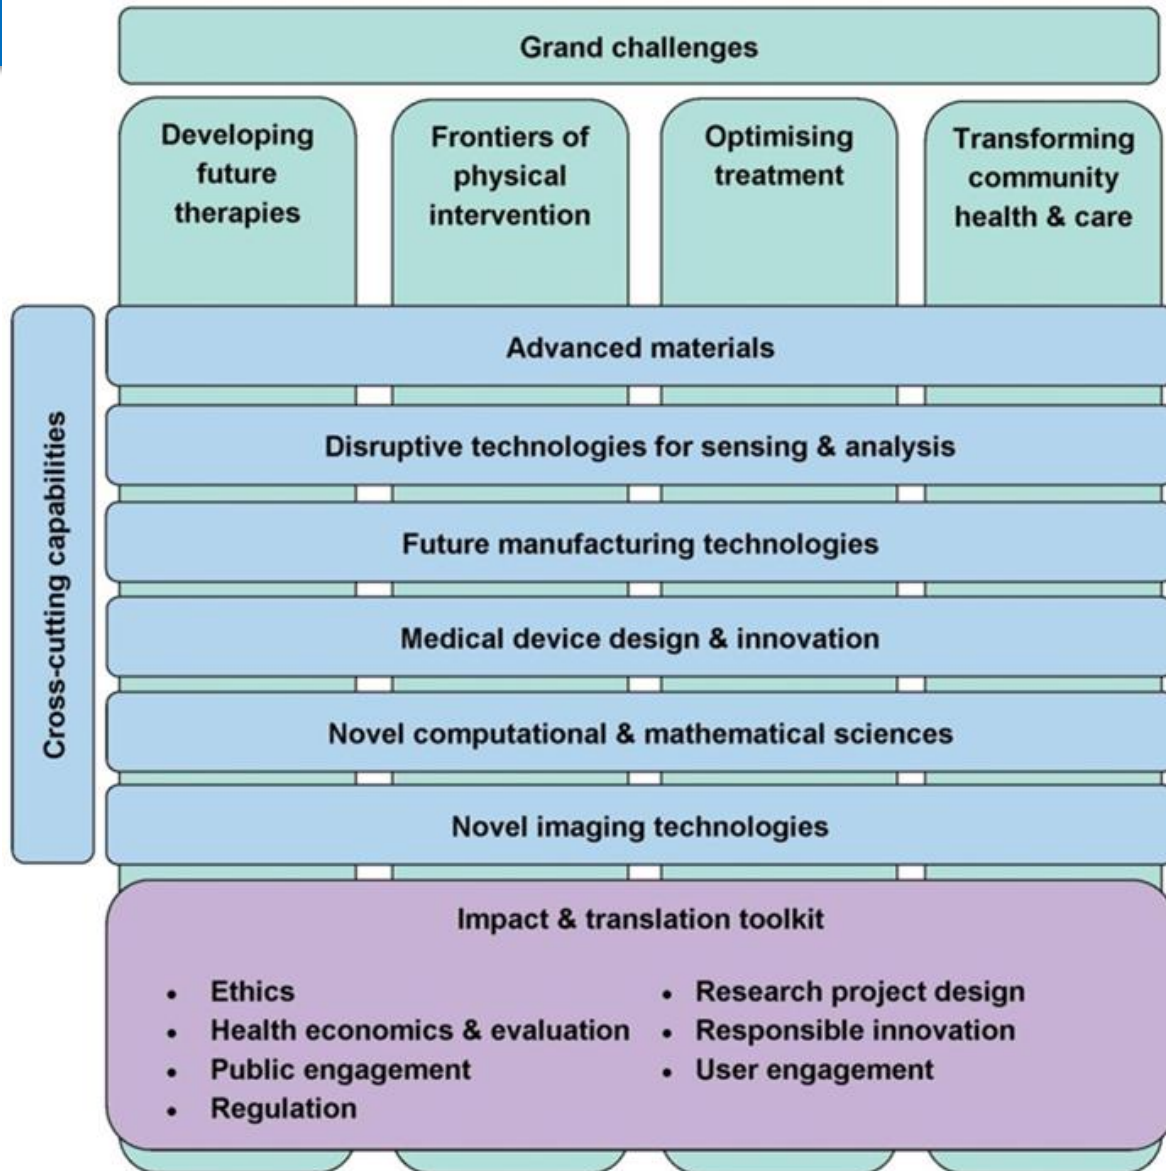

Innovate UK
Technology Strategy Board

Figures correct July 2015

Healthcare Technologies- Future under development!

- ■ ■ We are always open- Only have closing dates for calls
- ■ ■ The [remit query service](#) can be used as an early check for whether your research is best suited to EPSRC funding – we discuss this with MRC and BBSRC where applicable. We can (and do) co-fund across Councils.
- ■ ■ **If in doubt please ask!**

Thank you for listening

Lesley.thompson@epsrc.ac.uk
